## **SKILLS**

Research • Debating • Conflict Management • Cooking and Food safety

## **ACTIVITIES**

I am passionate about history politics and philosophy I enjoy reading nonfiction and fiction alike. And like to keep up to date with world news and issues. I have been involved in and helped organize can collections while being on the Student Council and have done the Relay for Life cancer fundraiser.

## **EMPLOYMENT**

After leaving university I have been working at La Boulangerie, Bakery in Lawrence checking Covid passports, doing dishes and serving customers. I also work at home doing general gardening, weeding as well as minding my younger sister so my mum can work.

I am planning to enter the Officers Program with the Royal New Zealand Navy in July 2022 and there for working for you would be perfect as it would aid my fitness, give me new skills and an income until my intake.
